

Brewing and winemaking testimonials

"We noticed a dramatic drop in moldy odor in the wine caves after just 2 days of running the AiroCide PPT systems"

Andy Erickson, Winemaker

Hartwell Vineyards - Napa, CA

"I am very happy with AiroCide. The smell in my barrel storage has vanished and I've noticed less surface mold. I am looking forward to using this technology in my home too."

Charles Gendrot, Winemaker

Kluge Estate Winery - Charlottesville, VA

"We are very happy with the AiroCide technology"

Cameron Perry, Associate Winemaker

Chateau Montelena - Calistoga, CA

"The AiroCide technology is an excellent piece of protection against airborne contamination in any wine production or storage facility."

Andrew Schweiger, Winemaker

Schweiger Vineyards - St. Helena, CA
